CLARIFICATION ABOUT FAMILY/HOUSEHOLD DONATION: For the sake of clarity, it is necessary to state that this is absolutely not a levy nor is it in any way a compulsion. BACKGROUND TO THE LIFE IN THE SPIRIT SEMINARS As people who have done them, know, the Life in the Spirit Semianrs is a wonderful course which has been

responsible over the years for opening Catholics up to new levels of the working of the Holy Spirit in their lives. It is a course that originated in the Charismatic Renewal, but is now being offered by Southwark diocesan agency for Evangelisation and Catechesis as the fruits of the course have been recognised. Pope Francis has even asked that they be run wherever possible across the Church to help equip people spiritually to become missionary disciples. Although it is not ideal to do the course online, several groups have been running them on line and found them just as effective as when they are done in the traditional manner. God will use whatever means He has at his disposal for those who are spiritually hungry because as we know it is the attitude of our hearts and sense of expectancy which brings about personal change and transformation. The Life in the Spirit seminars are just a means for this to happen. The sessions will involve a few songs of praise, a talk and then a small group sharing discussing the talk. During the week participants will be encouraged to read the Acts of the Apostles and meditate on a short scripture quote every day. The themes of the talks are God's love (1), Salvation(2), New Life in the Holy Spirit(3), Repentance and Faith(4), Prayer for Baptism in the Holy Spirit(5), Growth(6) and Transformation(7). Talks 4&5 will be given on Saturday 22nd May 2pm-5pm, when there will also be a special prayer for a new outpouring of the Holy Spirit on participants. This will be led by a Vincention priest in Ireland called Fr Pat Collins CM. Archbishop John Wilson, the archbishop of our diocese will be giving talk six on Growth in the Spiritual life. Dear Sister, Dear Brother, Dear Reverend Deacon, Dear Reverend Father, From 3rd December churches will be allowed to open again for public celebration of Mass and other acts of worship. The Bishop's Conference of England & Wales have issued a statement welcoming this news. <https://www.cbcew.org.uk/bishops-welcome-return-to-public-worship/> For our schools, though there is no change and the previous guidance issued in October stands. Archbishop John has confirmed that it is not yet possible to permit the celebration of Mass in school or by relocating to a church for Mass. Similarly, it is not possible to permit a 'Liturgy of the Word with distribution of Communion'. **General guidance for gathering in large groups or mixing of 'bubbles' in school prohibits gathering for Mass or other liturgy that includes the distribution of Communion.** The protocols that have been set up for celebration Masses in parishes were designed specifically for the context of the parish community. In the different context of schools, we need to respect the existing adaptations schools have introduced to make those sites safe for pupils and staff. **In most cases that includes restricting 'visitors' coming on to school sites and requiring that any 'visitors' do not join existing school based 'bubbles'. In addition, it is important to recognise the health and safety needs of our priests.** Archbishop John continues to be heartened to hear of the many ways in which the children and young people who attend the schools and colleges in the diocese are engaging with the wider liturgical life of the Church. We will continue to review this decision and will revisit this after the Christmas break. Kind regards, Mrs Sharon Docherty Deputy Director – Religious Education and Spirituality
