

Dear Parents

Welcome to St Chad's First Holy Communion Programme 2022. We are so looking forward to meeting you and your children.

Please complete the attached form and include the requested items in the envelope. The envelope should then be delivered to the presbytery no later than **Monday 29th November**. This is the latest date for receipt of applications for 2022. Please share this information with your friends and return the forms ASAP.

A member of the team will call you to welcome you and tell you what will happen next. Please do bring your child to Mass each weekend. Without attending Mass your child will not understand or be able to fully join in with our programme.

Stay safe and well and God bless you and your families.

Regular attendance at Mass is essential if your child is to receive their First Holy Communion in Summer 2022. Your example and enthusiasm for our Parish and worship at Mass is an indispensable part of your child's preparation.

We shall be holding our important first meeting before classes begin on **Thursday 13th Jan** in the **Church Hall at 7.00pm**. During that meeting you will be given the full schedule and the dates of the First Holy Communion Masses. It is essential that you attend if you wish your child to join the programme. This meeting is for you, as parents, not for your children

Classes for children will take place weekly on Saturday mornings in the church hall. The first classes will begin on Saturday 15th January. Times of classes will depend on the number of families who register this year. When we have all the forms, we will contact you with all the information you need.
